[Fantastic Testimonial From a Groundworks Customer](#)

Posted: April 24, 2018

We received this today from a social housing customer. "Just a note that I visited ***** Gardens again today and was further impressed by the work which the two Aquasource groundworks engineers continue to carry out. Extremely tidy – cannot fault their work and also the rate at which they have completed the trenching. Excellent. [...]"

[Nice Customer Testimonial](#)

Posted: July 22, 2014

Thank you to Paul for his kind words. Hi, firstly a huge thankyou for coming out to look at our water pump problem. The workers who attended on both days were great. Your lads were very polite and professional (with a good sense of humour) under the very awkward conditions they had to work [...]

Customer Testimonial

Posted: April 10, 2014

Nice Customer testimonial received. Hello Dave, John and I just want to say how happy we were with the work Andy and Robbie did and how pleasant they were to have at our house. I think people are always ready to complain so I think it is just right to praise where praise is due. [...]
