

Privacy Policy

We take care to protect the privacy of customers of Aquasource (SW) Ltd and users of this website . We take our obligations under privacy and data protection law very seriously. This privacy policy explains how we collect, store and use your personal data. Please read this privacy statement carefully.

Introduction

In this privacy statement, references to “we”, “us” or “our” mean Aquasource (SW) Ltd. References to “you” or “your” mean our customer or the person using this Website whose personal information we may collect, store and use.

This privacy statement applies between you and Aquasource (SW) Ltd.

References to “Data” mean all personal information that you submit to Aquasource (SW) Ltd.

Aquasource (SW) Ltd may change this privacy statement from time to time. You should check this page periodically to ensure that you are happy with the up to date version.

Data that we collect

The Data we may collect includes, but is not limited to:

your name and your organisation’s name;

your contact details including your email address and telephone number;

your postcode;

any other information that you may provide to us (through our contact form or otherwise).

We will only collect and use this Data in accordance with this privacy statement.

How your Data is used

All personal Data is stored securely in accordance with the

relevant principles of data protection law.

Unless we are obliged or permitted by law to do so, and subject to any third party disclosures specifically set out in this statement, your personal Data will not be disclosed to any third parties.

Your Data may be used for the following purposes:

improvement of our product and services;

to manage our relationship with you;

to answer any queries that you may have about our products, the Website or other related queries;

To process any application made by you for a position with Aquasource (SW) Ltd;

any other legitimate business purposes.

Who is your personal Data shared with?

In the course of our business, we may need to share your personal Data with our subcontractors.

From time to time, Aquasource (SW) Ltd may also ask for your consent to share your personal Data with third parties who provide services to us which are necessary for the operation of our business. Any such third parties will also be under a duty to keep your personal Data secure.

Third party websites

From time to time, this Website may also include links to third parties' websites for your interest. This privacy statement does not extend to any third party websites that can be accessed from this Website. We do not accept liability or responsibility for any third party's use of your data or their use of cookies.

Access to your personal Data

You have the right to request details of the personal Data which we hold about you under the Data Protection Act 1998.

If you would like a copy of the information held on you please contact us.

Cookies

We may collect and store statistical information to analyse how parts of this Website are used. This may include the use of "cookies" which are small files which are stored on your computer's browser or hard drive. This data is anonymous and contains no personally identifiable data about you.
